

Citizen vigilance – Waste issues

Several sites for residents of the Unorganized Territories (TNO), Thompson's Bay Road and Gordon Lake, are being littered with garbage and large items by visitors and citizens of the Town. These illegal acts cause major problems for the users and the public works department. Not only are the bins full, but the vast majority of this waste is found next to the bins which attracts bears and crows. Cameras were installed to apprehend the culprits and some fines were issued. But the problem persists!

The Town of Témiscaming is asking for your cooperation in order to be vigilant citizens and report any acts of this kind. Please note that the Ecocentre is open from Sunday to Saturday from 11:00 to 17:00 and is closed on Tuesdays and Thursdays.

NOTICE TO CITIZENS

NOTICE - THIRD PAYMENT OF MUNICIPAL TAXES

Please note that the third installment of municipal taxes is due on October 31st.

CUMBERSOME- PICKUP - FALL - 2018

MAKE SURE YOUR ITEMS ARE ON THE LIST OF ITEMS ACCEPTED

TOWN SECTOR

Cumbersomes will be collected during the week of **September 16th**. You must drop them at the usual garbage collection point before Monday, September 17, 2018.

COTTAGE SECTOR

Cumbersomes (furniture, etc.) for the cottage sector will be done during the **week of October 14th**.

During this period, the bulky items must be deposited at the intersection of your entrance and the main road (and not at the usual residual material collection site) no later than Sunday, October 14, 2018.

Civil security training

To better prepare for disasters, several employees and elected officials attended training on civil security last June. It was two busy and informative days.

Beautification program

Have you planned renovations on your property before the snow arrives? You may be eligible for the beautification program!

There are funds still available for 2018, You can contact the economic, social, tourism and cultural development officer at 819-627-3273 ext. 114.

Purchase of WaterSense water-saving devices

As part of the actions to reduce the consumption of drinking water on its territory, the Town of Témiscaming has selected a wide range of WaterSense certified appliances available at local hardware stores.

By this measure, the Town wishes to offer its citizens an incentive to allow better management of drinking water.

A fixed annual amount is allocated for the program. Therefore, it is important to contact Ms. Lise Leblanc, the manager of the program, to validate the funds available for the current year.

To find out about the accepted products and the amounts you will receive after purchasing them, please contact Ms. Lise Leblanc at 819-627-1777 or by email at lise.leblanc@temiscaming.net.

Program details are available on the Town's website under Citizen Services / Public Works / Drinking Water Conservation

PARCOURS POÉTIQUE Témiscaming

As part of the CulturAT initiative, the school, the Town, the Chamber of Commerce and the Richelieu Club join forces to give life to a unique poetry project.

The students of EGT participated in a poem writing competition. The theme was: Most significant places in the Town of Témiscaming. The most beautiful poems were chosen to be included and displayed on the path.

You can discover this course of 13 poems which will be enriched over the years by new texts.

A pamphlet is available at the Town Hall and at the Train Station Museum during the summer season.

Notification of newcomers to our Town

We want to welcome all new citizens to Témiscaming. Please do not hesitate to contact Samir (extension 114) or François (extension 137) so they can with the Mayor, give them the welcome they deserve.

Thank you for contributing to welcoming people who have chosen to come to live here.

Did you know...

[Forest fires also happens
in the fall?]

Hunting season

Dead leaves are the fuel of choice at this time of the year. A few hours of sunshine are sufficient to dry them. Therefore, hunters must redouble their efforts to be cautious in the forest!

Cigarette butts

Smoking on mineral soil and extinguish your butts by crushing them on a rock is the way to go

Camp fires

Watch your fire constantly. Put it out by watering it at least twice.
