NOTICE TO CITIZENS

MESSAGE TO DOG AND CAT OWNERS

The arrival of spring reveals what the snow hid. The Town invites you to clean your property.

IMPORTANT

Please keep your animals as well as your cats on your property. Your neighbours may have chosen not to have any. **When walking your dog, keep it on a leash and pick up its excrements.** Certain people may be frightened of an unleashed animal or simply do not want to walk in its excrements.

The Town of Temiscaming wishes to thank animal owners who are concerned with their environment.

TEMPORARY CAR SHELTERS

The Town of Temiscaming advises the population that the temporary car shelters (Tempos) are prohibited between May 1st and November 1st. Therefore, we ask your collaboration to remove completely your shelters

2017 SPRING CLEANUP CAMPAIGN TOWN SECTOR

The cumbersome items cleanup campaign will take place the week of May 21st, 2017. You need to put them at the same place as regular pick up **before Monday, May 22nd.**

It is not necessary to leave your name and address to get your cumbersome items picked up. For information call the municipal offices at 819-627-3273 extension 104.

Thank you for keeping our municipality clean!

Featured Topic: Candles

There are many types of decorative candles and candlesticks available today which create a pleasant atmosphere in your home.

When purchasing a candlestick, make sure that it is safe to use. It should be stable, big and deep enough to hold all the wax. Candlesticks made of tempered glass withstand heat while those of regular glass, wood or even plastic are more dangerous.

Any candlestick may be used with the condition that you never leave a lighted candle unattended. Many fires are caused by candles which people forgot to watch: The candle burns down completely, causing the candlestick to burn or shatter if it is made of a non-heat resistant material. You should extinguish any candle when it is 5 cm (2 in.) from the candlestick.

Never light candles near curtains or any other flammable object.

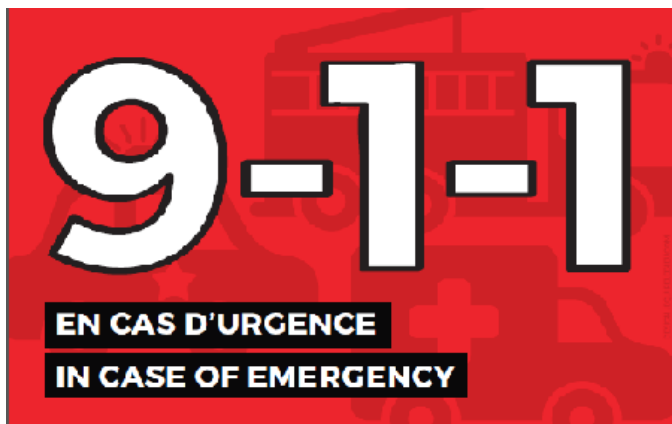

The program for the distribution of rain barrels and composters is back! As of April 3rd, you can visit the Town of Temiscaming website to register for one of the two. The distribution will take place at Marché Aliguy Inc. - IGA of Temiscaming on June 17th from noon to 3pm.

Spring cleaning day!
Saturday April 22nd, 2017
Details to come !

New magnet for emergency services

Watch for the arrival of this new magnet in your mailboxes! This tool is to remind you that in an emergency it is important to dial 9-1-1.

AFAT
association forestière
