A word from the gardener... Fall cankerworm

Don't forget September is the right time to install tree guard tape. They must be installed before the female's outbreak. These tapes are an effective way to prevent the females from getting into the trees to lay their eggs. A good way to remedy or lessen the damage around the house.

For more information, visit the Town's website.

Have a good harvesting season!

The municipal and school library launch DRAGON WHO READS LEARNS contest!

From September 5th to November 24th each book read will be counted and at the end of the contest a prize will be given to the child having read the most. The contest is open to all of the primary sector, both English and French.

Did you know?

Did you know that there are two subsidy programs offered by the Town of Témiscaming?

- ✓ Washable Diapers Program
- ✓ Home Improvement Program

For more information, contact the Development Agent, Mr. Samir Boumerzoug at 819-627-3273 ext. 114 or visit the Town's website under the section "The Town" in the "Programs and Contests" category.

Did you know that the Town of Témiscaming has under construction a staircase at Thorne Park that will bring all the way to the Marina? This project is part of the forced pipeline system. A great initiative for people who love history while exercising or taking beautiful pictures!
