## 2021 CENSUS

The 2021 Census will take place in May and the Town of Temiscaming encourages all residents to complete their online census questionnaires at [www.recensement.gc.ca](http://www.recensement.gc.ca)

Accurate and comprehensive census data support programs and services that benefit our community.

## Municipal Camping - Closing

At the last Town Council meeting in February, the council resolved to close the municipal campsite. The spaces that were rented at the Marina will be converted into a green space. Electricity, access to water and pic-nic tables will be removed. This decision was made following the opening of The Opemican Park and its camping packages supported by the low traffic in the recent years.
