

TOWN WEBSITE – NEW CITIZENS TAB

With the growth of the real estate market over the past year, it is not surprising to come across new faces in the Town. In order to be proactive, the NEW CITIZENS tab, under THE TOWN directory, of the Town's website has been modified. This new tab allows people who are going or have settled in Temiscaming to know where their child's future school is located, how to change their new address or even change their license plates if they come outside of the Quebec Province.

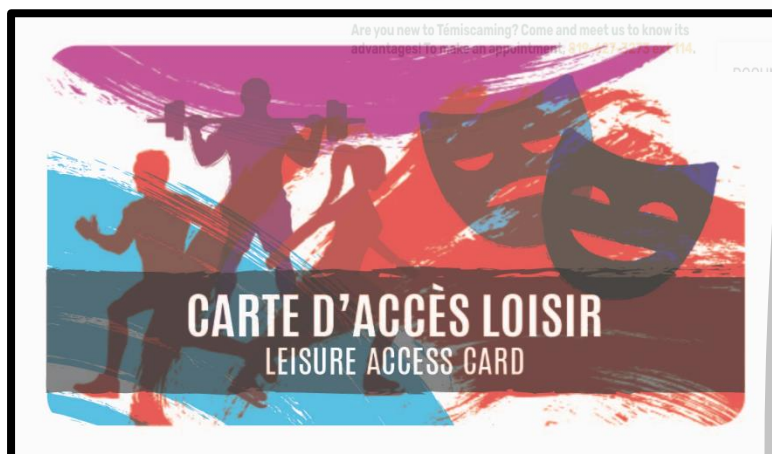

In addition, this tab allows you to fill out a form that identifies you in order to be welcomed in a more personalized way by our promotion and economic and tourism development agent. They will be contacted to meet with him, and he will give them a USB key filled with interesting and informative links, the leisure access card and a brief meeting with the mayor of Temiscaming.

ARE YOU NEW TO TEMISCAMING? DID YOU KNOW THAT

The Town of Temiscaming has focused on welcoming its new citizens by creating the Leisure Access Card program. This card gives newcomers the opportunity to discover the activities that can be done in Temiscaming. It includes:

- One-year subscription to the gym (15 years and over excluding 24/7 access)
- One-year subscription to public swimming and skating
- One-year subscription to Pickle Ball
- One season of curling
- One season of golf
- A pair of tickets giving access to all Dottori Hall performances, valid for one year (eligible shows)

MUNICIPAL ELECTIONS **SEARCHING FOR ELECTION STAFF**

The Town is looking for people who would be interested in working for the 2021 elections. Several positions are available.
